

REVMAX RETURN POLICY

Once ordered and shipped, RevMax will not accept items for return unless listed below. Any items attempting to be returned must have a RMA number clearly written on the outside of the box. Any item sent back to RevMax without an RMA will be returned back to sender.

Return Guidelines:

- New, unused, DRY rebuild kits are available to be returned for a refund, less a 20% restocking fee and shipping costs.
- **Valve bodies are NOT returnable for a refund.**
- **Torque Converters are NOT returnable for a refund.**
- **Transmissions are NOT returnable for a refund.**
- Any items must be returned within 10 days of receipt
- Parts must be returned in the condition in which you received them
- Parts must be unaltered, dry and clean

How to Return:

1. Complete the Return Merchandise Authorization (RMA) form sent to you by your sales rep and include the reason for return
2. Affix the pre-paid shipping label to the package
3. Drop off the package at a UPS facility or UPS drop box within 10 days of receipt
- 4. RMA form must be inside of box or shipment will be rejected**
